MEDIA RELEASE

April 20, 2018

Thunder Bay Airport Partners with URIDE

Passengers coming to and from the Thunder Bay Airport now have the option to access URIDE, a local ride sharing app native to Thunder Bay, Ontario.

“We’re excited for this new partnership between URIDE and the Thunder Bay Airport. My team and I look forward to providing reliable, affordable rides to the people of Thunder Bay for years to come. The partnership with the airport allows URIDE to help provide other transportation options to passengers, as well as the potential to save substantially compared to parking options. Customers can book now, or reserve a ride in advance. This partnership marks an important step into the future for URIDE, the airport, and transportation in Thunder Bay”, said Cody Ruberto, Founder & CEO of URIDE.

URIDE drivers will now have the capability to pick-up and drop-off passengers at their designated spot on the curb, right in front of the Air Terminal Building. Passengers are also given the option to include their flight number to ensure a timely pick-up or drop-off to and from the Airport.

“The Airport Authority is keen to work with new companies to expand the transportation options available to air travelers to and from the Airport”, said Ed Schmidtke, President & CEO.

URIDE is available to download for free on the App Store and Google Play.

About TBIAA

TBIAA is the private, non-shareholder corporation responsible for the operation of the Thunder Bay International Airport. TBIAA receives no government funding for the operation of the Airport. Economic activity related to the Airport is responsible for an estimated \$645 million dollars in GDP annually and over 5000 jobs.
