

Thunder Bay International Airports Authority Inc.
announces changes to fees at
Thunder Bay International Airport

Effective January 1, 2017:

Aeronautical Fees:

- 1.55% on Landing Fees - Domestic & International
- 1.55% on all General Terminal Fees
- 1.55% on all Aircraft Parking Fees
- 1.55% on all Loading Bridge Fees

After-hours Emergency Response Services:

Aircraft arriving or departing between 2300 and 0530 will
be charged a pro-rated amount based on time of the
movement at the following rates:

- \$81.50 per hour for Category 5 aircraft
- \$163.00 per hour for Category 6 and above

These increases apply to aircraft using the Airport and
partially offset the costs associated with aeronautical
facilities, services and security at
Thunder Bay International Airport.

Effective January 1, 2017

Express Parking: \$125.00/month

Effective January 7, 2017

- Short Term Parking: Daily Maximum \$25.49
- Long Term Parking: Daily Maximum \$12.75

**TBIAA, the not-for-profit corporation responsible for
the management and operation of the Airport,
receives no public funding and remains the only
Airport in Canada with no passenger departure fee.**
