

Thunder Bay Airport Parking System

Thunder Bay Airport is pleased to offer a fully automated parking system as part of our continued efforts to offer the best service to everyone using our parking system.

Of special interest to the regular user is the system's **Quick Card**. The **Quick Card** is similar to a gift card allowing entry and exit of the lot bypassing the Pay Stations located in the Terminal Building.

Quick Cards can be purchased for as little as \$20.00.

QUICK CARD

A gift card which allows you to enter and exit the parking lot bypassing the Pay Stations located in the Air Terminal Building.

Advantages

Arriving – enter the lot by using your **Quick Card**. No ticket required.

Exiting – go directly to your car and insert your **Quick Card** at the exit gate. The gate opens and your Card balance is displayed. No payment in the Terminal required.

Receipts – a receipt is issued upon initial purchase of your **Quick Card**. A record of Card use for audit purposes is available upon request.

Card Running Low? – let us worry about that by taking advantage of our automatic top-up feature.
